Irene Delgado

President, Asociacion Nacional de Hipertension Pulmonar

Av Artes 7

28300 Aranjuez (madrid)

Spain

Dear Irene,

PHA is pleased to endorse the International PH Day, May 5, 2012, proposed and organized by the Asociación Nacional de Hipertensión Pulmonar, of Spain. We are excited to see growth of events like these that involve communities worldwide in raising awareness of—and public support for—pulmonary hypertension. We congratulate ANHP on the endeavor and offer our partnership.

Sincerely,

Rino Aldrighetti

President

Pulmonary Hypertension Association
